The Estate

The Masi family have been making wine for 3 generations. Currently, Paolo Masi carries out the family's philosophy to produce excellent quality/price related wines. Paolo emphasizes the long term relationship of cooperation with each grower. He consults with them in the vineyard to obtain the highest quality and will pay higher prices for lower yields in the interest of better wine.

To obtain this year after year we have searched for and selected the producers who can guarantee a constant high-standard quality level, and we have created a long term relationship of cooperation, including our consultation on how to manage the vineyard, with the aim of reaching the highest quality

Wine Making

This is a "Super-Tuscan" wine from Rufina made from 50% Cabernet Sauvignon and 50% Sangiovese aged for 14 months in french barriques. It is always a terrific value, drinks well on release, but also had good aging potential

Tasting Notes

Black cherry, violet and oatmeal flavors are the main themes in this red. A hint of menthol adds complexity and the finish is moderately long
