The Estate

Since the establishment of this family business in 1928 the winery Peter Zemmer has been producing top-quality wines on the finest vineyards in and around Cortina s.s.d.v. in Alto Adige - South Tyrol.

Peter Zemmer's extensive experience, detailed and innovative knowledge together with the perfect natural environment guarantees top quality and character of the wines.

The expressive character of the wines is formed in the vineyard. Intensive nurturing of the grapevines as well as careful selection are the essential prerequisites for the authentic wines. Peter Zemmer believes the production of natural wines that accurately reflect their terrior are of utmost importance.

Wine Making

Before being pressed, an 8 hour long cold maceration takes place in order to enhance the fruitiness of the wine. 2/3 of the alcoholic fermentation is carried out in stainless steel tanks with select strains of yeast. 1/3 of the fermentation is carried out in small French oak casks. The wine then spends 6 months on the lees and an extended period in bottle before release.

Tasting Notes

The wine has a strong bouquet of ripe apricots, tropical fruit, and delicate vanilla. On the palate the wine is complex, balanced, and savoury. An interesting play of acidity in the mouth, both harmoniously juicy and rich, with a pleasant, long finish.

Press

- 2011 Vintage Five Stars Restaurant Wines
- "The Cortinie Bianco is an exceptional blend: full bodied and intensely flavored; a wine combining rich fruitiness (peach, honey, pineapple) with complex floral and oak-derived character (rose petal, litchi nut, vanilla, toast). Very long persistent finish."
