The Estate

Since the establishment of this family business in 1928 the winery Peter Zemmer has been producing top-quality wines on the finest vineyards in and around Cortina s.s.d.v. in Alto Adige - South Tyrol.

Peter Zemmer's extensive experience, detailed and innovative knowledge together with the perfect natural environment guarantees top quality and character of the wines.

The expressive character of the wines is formed in the vineyard. Intensive nurturing of the grapevines as well as careful selection are the essential prerequisites for the authentic wines. Peter Zemmer believes the production of natural wines that accurately reflect their terrior are of utmost importance.

Wine Making

The grapes are destemmed upon arrival. After one day of cool maceration in order to improve the fruit bouquet, the wine is fermented on the skins at a constant temperature of 28 - 30° C (82 -86° F) for approximately 10 days. In this way, we achieve ideal results with the coloring from the skins and emphasize the fruitiness of the wine. After two gentle rackings, and 21 months in various formats of oak, the wine spends an additional 6 months in bottle before it is released.

Tasting Notes

deep, dark garnet red with violet reflections the wine is redolent of violets, bitter chocolate, wild berries, licorice, and vanilla. Those tones translate to the palate backed by velvety mouthfeel, with soft tannins, prominent structure, and a very long finish.

- 2005 Vintage Four+ Stars Restaurant Wines
- "The reserve is fuller and more complex, with light oakiness and maturing flavors (cherry, blackberry, cassis, with overtones of mint, tobacco, aniseed, black pepper, and oak. Fine value in an 8 year old wine."
