Brand Highlights

- Third generation wine making family
- State of the art solar powered winery to take advantage of the region's 300+ days of sunshine a year
- All estate fruit.

The Estate

Since the establishment of this family business in 1928 the winery Peter Zemmer has been producing top-quality wines on the finest vineyards in and around Cortina s.s.d.v. in Alto Adige - South Tyrol.

Peter Zemmer's extensive experience, detailed and innovative knowledge together with the perfect natural environment guarantees top quality and character of the wines.

The expressive character of the wines is formed in the vineyard. Intensive nurturing of the grapevines as well as careful selection are the essential prerequisites for the authentic wines. Peter Zemmer believes the production of natural wines that accurately reflect their terrior are of utmost importance.

Wine Making

The stems are immediately removed and the grapes are fermented for 8 days at a constant temperature. The must is kept in regular contact with the skins through circulation pumping and gentle pressure from below. In this way, we achieve ideal results with the coloring from the skins and emphasize the fruitiness of the wine.

Tasting Notes

The wine has balance, elegance, and an intense lingering finish. Sciava is an ancient grape varietal that goes back to the middle ages. It is a light, mild red wine with low tannins. The red raspberry and delicate peach aromas are fresh and the flavors are lively, dry and and harmonious.

Press

- 2011 Vintage Four Stars Restaurant Wines
- "Schiava Gentile is a small berried member of the Schiava (Trollinger) family and generally produces fruity, spicy, medium bodied wines. The 2011 is excellent: quite fruity in character (cherry, rosehips), medium bodied, and crisp, with a zesty medium long finish. Excellent Value."
