The Estate

Since the establishment of this family business in 1928 the winery Peter Zemmer has been producing top-quality wines on the finest vineyards in and around Cortina s.s.d.v. in Alto Adige - South Tyrol. Peter Zemmer's extensive experience, detailed and innovative knowledge together with the perfect natural environment guarantees top quality and character of the wines. The expressive character of the wines is formed in the vineyard. Intensive nurturing of the grapevines as well as careful selection are the essential prerequisites for the authentic wines. Peter Zemmer believes the production of natural wines that accurately reflect their terroir are of utmost importance.

Wine Making

After the stems are removed, the grapes are left to macerate for one day and then pressed. In this way, we succeed in only partially imparting the coloring, which is contained in the skins, to the must, and the wine thereby obtains its fine rosé tone. The alcoholic fermentation is carried out with pure strains of yeast at a controlled temperature of 20 - 22° C (68 -72° F) in stainless steel tanks.

Tasting Notes

Intense, complex, spicy aromas, with a delicate perfume of wild berries and violets. On the palate the wine is deliciously fresh with lively acidity and a soft, spicy finish.
