

PETER ZEMMER PINOT GRIGIO

In the famed Alto Adige—South Tyrol region of Italy, the Peter Zemmer winery is located in Cortina—a small village of only about 600 people—near the Adige river.

Peter Zemmer Pinot Grigio is made with a selection of the best grapes from vineyards on both the valley floor and steep slopes near the estate.

Crisp, rich, and bright with aromas of flowers, green apple and spices. Flavors of melon and pear in a full-bodied style with the fresh acidity Alto Adige is known for.
